

Staber MD-5 Mobile Dryer

Features

The Staber Mobile Dryer has 5 adaptable drying uprights for hang drying, 4 for efficient drying of both turnout (jackets liners, pants) and water rescue (wet-suits, gumby suits and dive wear) gear and one for gloves, boots and hoods. Each Hanger Upright can be easily reversed for drying wet-suits, gumby suits and dive wear.

The MD-5 has four heavy duty (360° Swivel) caster wheels with brakes for portability and convenience.

Simple control with factory preset drying times (2H, 4H, 8H and 12H) and desired temperature (High Temperature is equivalent to an increase of 12-degree temperature rise over room ambient temperature. - Low Temperature is equivalent to an increase of 5-degree temperature rise over room ambient temperature. Standard 120V Hook-Up (8' cord).
